IMMEDIATELY ACT TO STOP THE BUTCHERS !

The military coup by the junta in Chile and the dreadful consequences it has brought about for people and workers of this country - shootings, tortures, repressions, terror, arrests and detentions, rouse anger and sorrow in hearts of millions of the working people of our planet.

In Chile, military tribunals have proceeded to trial and punished the detained patriots on the Dawson island and the junta is going to make a savage reprisal against the General Secretary of the Communist Party of Chile, Comrade Luis Corvalan, and other outstanding leaders of the Popular Unity, trade union leaders and numerous Chilean patriots. Their lives are at stake.

The TUI Secretariat, on behalf of its 16,5 million members, reiterates its strong protest against the atrocities committed on Chilean patriots and demand to stop the arbitrary rule of reaction, to liberate all prisoners arrested and detained by junta, and appeal to transport workers the world over to immediately act in order to save the life of Luis Corvalan and all other Chilean patriots suffering in prisons, to mobilize all their forces in struggle for abolishment of this shameful trial.

STOP THE FASCIST BUTCHERS !
